MD Fur Trappers Inc. to Sponsor Junior Trapper Education Day

Powellville, MD --- MD Fur Trappers Inc. announces that it will sponsor it's Junior Trapper Education Day on Saturday, October 27, 2007 from 9 AM to 3 PM. Participation is open to all students 16 years of age or younger. Parents are welcome and encouraged to attend. Some of the instruction will be in the field, rain or shine; dress for the weather, waterproof boots is recommended. Lunch, soft drinks and snacks will be provided. There will be no fee, however **PRE-REGISTRATION IS REQUIRED.**

Topics of instruction will include: conservation and stewardship of natural resources, furbearer biology and natural history, furbearer regulations and ethics, trapping methods and fur handling techniques.

This is an outstanding opportunity for youngsters interested in our natural resources to learn about the importance of trapping as a conservation and wildlife management tool.

The location for this year's event will be at the Burbage Camp near Powellville, MD. For more information, directions and to pre-register, call Charlie Burbage 410-835-8610.

Headquartered in Frederick, MD, the MD Fur Trappers Inc. is a leader among sportsman's groups promoting conservation and sound scientific wildlife management practices. Founded in 1961, the organization is comprised of fifteen districts statewide and is affiliated with the National Trappers Association, the National Wildlife Control Operators Association, and the Maryland Wildlife Control Operators Association. A number of members are licensed by the MD Department of Natural Resources as Wildlife Control Cooperators, providing assistance to residents of the State dealing with nuisance wildlife issues.
